PROFILE

I am an undergraduate at the Institute of Technology, University of Moratuwa, with a strong interest in frontend development, UI design, and graphic design. I possess teamwork, time management, and planning skills, and am eager to contribute creatively and efficiently in professional environments.

EDUCATION

■ **National Diploma in Information Technology** 2024- Present
Institute of Technology, University Of Moratuwa

■ **Advance Level Exam** 2021(2022)

H/ Debarawewa National College

Index No: 6306179

PROJECTS

Inventory Management System

Led the development of a comprehensive inventory management system featuring stock level and expiry date alerts, efficient stock management, and supplier management. The system automates inventory tracking, notifies users of low stock or near-expiry items, and streamlines communication with suppliers to ensure smooth operations.

Technologies Used: React, Node.js, MongoDB

Calculator

Developed a simple but efficient calculator with basic arithmetic operations.

Technologies Used: Python

ACHIEVEMENTS

Recognized for academic achievements and maintaining a GPA of 3.2/4.0 in my college.
